

WHAT DO I NEED TO GET ON MY FINAL EXAM?

The following math will work for any class in which the exam is 15% of your overall grade in the course.

The following equations will tell you what you need to earn on the exam to get a certain grade in the class

First, let's figure your STARTING POINT (SP in formulas)...

This will be the lowest grade you can get for the trimester.

your trimester grade right now is _____ $\times .85 =$ _____

*grade
desired*

*exam score
needed*

for **D-** 60 - SP _____ = _____ $\times 6.67 =$ _____

for **D** 63 - SP _____ = _____ $\times 6.67 =$ _____

for **D+** 67 - SP _____ = _____ $\times 6.67 =$ _____

for **C-** 70 - SP _____ = _____ $\times 6.67 =$ _____

for **C** 73 - SP _____ = _____ $\times 6.67 =$ _____

for **C+** 77 - SP _____ = _____ $\times 6.67 =$ _____

for **B-** 80 - SP _____ = _____ $\times 6.67 =$ _____

for **B** 83 - SP _____ = _____ $\times 6.67 =$ _____

for **B+** 87 - SP _____ = _____ $\times 6.67 =$ _____

for **A-** 90 - SP _____ = _____ $\times 6.67 =$ _____

for **A** 93 - SP _____ = _____ $\times 6.67 =$ _____
