

WHAT DO I NEED TO GET ON MY FINAL EXAM?

The following math will work for any class in which the exam is 5% of your overall grade in the course.

The following equations will tell you what you need to earn on the exam to get a certain grade in the class

First, let's figure your STARTING POINT (SP in formulas)...
This will be the lowest grade you can get for the trimester.

your trimester grade right now is _____ $\times .95 =$ _____

	<i>grade desired</i>		<i>exam score needed</i>	
for D-	60	- SP _____ = _____ $\times 20 =$ _____		
for D	63	- SP _____ = _____ $\times 20 =$ _____		
for D+	67	- SP _____ = _____ $\times 20 =$ _____		
for C-	70	- SP _____ = _____ $\times 20 =$ _____		
for C	73	- SP _____ = _____ $\times 20 =$ _____		
for C+	77	- SP _____ = _____ $\times 20 =$ _____		
for B-	80	- SP _____ = _____ $\times 20 =$ _____		
for B	83	- SP _____ = _____ $\times 20 =$ _____		
for B+	87	- SP _____ = _____ $\times 20 =$ _____		
for A-	90	- SP _____ = _____ $\times 20 =$ _____		
for A	93	- SP _____ = _____ $\times 20 =$ _____
